

It is getting cooler out, so that means one thing.... Ski and Snowboard team is about to begin!! We are looking forward to another great year with all of the students between the ages of 8 and 18 in Medina! As we have in the past, we will have buses leaving Sidney Fenn Elementary at 5:00 heading to Brandywine. Upon our return, we will pull buses in at Medina HS parking lot D (by the gym entrance). We did this last year and it worked well for parking, lighting and traffic flow. The fee for the entire ski/snowboard season will be \$25 to ride the bus there and back. We will take attendance before we leave the school and before we leave Brandywine. Please be sure that your child knows how he/she may be getting home so we have it marked correctly.

This year, we will be looking to offer out spirit wear for our ski/snowboard team. We will get that together soon so you may get your orders in prior to the season. This will be posted on school sites and on the Medina Schools web page once it is ready. Please feel free to send any questions to Craig Komar at [komarc@medinabees.org](mailto:komarc@medinabees.org). We are so excited to get this season going once again!

#### **Things to remember for the season:**

- Each member will receive a club card which they need to have each time they attend
- Each member who joins through the school team will also receive (4) Value Passes which will let you in for \$10 each. These passes can be used personally, for family, and/or friends.
- Any additions or changes to your plan will incur an administrative fee of \$10 per value pass if changes or additions are made after Jan. 9, 2017. Be sure you double check whether your child will ski or snowboard so you will not need to change.
- Any lost passes will be replaced at a cost of \$25. We still have lanyards for only \$1 so be sure to see us to help protect your child's card.
- Lessons will take place for the first (5) sessions. The 6th session of the year is 4 hours of open slope time with no lesson.
- Parents who wish to join cannot do so through the school program any longer, however, are encouraged to sign up through the Pick-a-day pass. This program plan does not include lessons, but will allow you to ski on Friday night's with your child (or any other day you may choose to go)

#### **Our schedule for the year will be as follows (pending weather, of course):**

Friday - January 6, 2017  
Friday - January 13, 2017  
Friday - January 20, 2017
