

Now you can report by using a Mobile App

The Safe School Helpline® is committed to providing the best, most flexible service available, and in light of that commitment, we have introduced another option for you to confidentially report concerns.

Download our free Mobile App at Google Play or the Apple Store

This App makes it easy to report any safety concerns via 1) Phone; 2) the Internet; or 3) Texting.

Break the Silence...Prevent the Event
