Afterward, club members are welcome to continue visiting on their designated day(at no additional charge) using your Club Card

The Club Program is the most heavily discounted program at BMBW and AV, with savings of almost \$400 over the standard snow pass, rental equipment and lesson price. There are **NO REFUNDS** on this heavily discounted program for any reason, including student removal from the club due to disciplinary reasons invoked by the club advisor, BMBW and AV Ski Patrol or BMBW and AV Management. Pricing depends on the day and time your club visits.

Clubs begin in January, as determined by BMBW and AV, and continue to the end of the season. If BMBW or AV must cancel one of your five guaranteed club visits, we will schedule an additional session for you. Individual make-up lessons are not available.

Season Passholders Option:

Season Passholders ages 8 to 18 are not required to join the Club Program through BMBW or Alpine Valley in order to participate. If they wish to participate with a particular club, they are more than welcome to do so on their designated night and receive the five lessons. No additional cost is required by BMBW or Alpine Valley. However, each individual club may have their own requirements so please be sure to check with your club's advisor. Limit ONE club per passholder.
