

2024 BLAKE SUMMER READING

Summer is the perfect time to learn something new and explore new worlds - all through reading! All you have to do is read about 1000 minutes - that's just 20 minutes per day, 4 days per week! Keep track of your minutes, have an adult initial each week and sign this paper at the end of the summer (confirming that you indeed read 1000 minutes, and turn it in by **Friday, August 25th**. All students who complete summer reading will earn a ticket to the summer reading carnival happening in September! Log your minutes below, and have fun with the Camp BINGO on the other side! Try to do every one this summer!
