

## **Facilities Committee Meeting**

September 1, 2022 at 8 a.m.

Attendees:, Amy Busby, Dave Chambers, Julie Crew, Craig Komar, Steve Mishler, Ryan O’Cull, Dr. Kristine Quallich, Ron Ross, and Aaron Sable

### **Paving**

- Tennis Courts - The upper courts are resurfaced and line painting is complete.

### **Roofing**

- Ella Canavan Elementary - A new roof drain tile is being installed that will lead to the catch basin on the rear side of the building.

### **Around the District**

- A.I. Root Middle School - The security camera install has been completed.
- Claggett Middle School - The security camera install has also been completed and all accommodations have been made for additional handicap accessible areas.
- Evolve Academy - Southside, lower level windows have been replaced.
- Medina High School - A Flexible Learning Space has been installed between the math and science classrooms to allow for collaborative work and learning opportunities between the two.
- Tennis Courts - Conversations will be held with the City regarding the courts at A.I. Root Middle School and the possibility of converting to pickleball courts in the future.
- Redistricting:
