

## **Blake Elementary Title I Parent Involvement Plan 2024-2025**

**We are a team at Blake and teamwork is an important part of our Title I Reading Intervention Services.**

We strongly encourage your involvement with your child's education and our educational programs that are provided with Title I services at Blake Elementary. Schools and parents are encouraged to work together to improve student achievement, and this partnership is fundamental to a student's success. Please contact your child's Reading Intervention teacher(s) or Principal to learn more about how you can be involved in our Title I Program.

### **Title I Family Events/Parent Communication**

There are many opportunities for families to be involved and participate in the reading intervention program at Blake. Parents will be invited to a Parent Informational Meeting at the beginning of each school year. This meeting will provide families with valuable information about the program, a chance to meet the reading intervention teachers, and ask questions. Parents are also invited to attend parent-teacher conferences in the fall and spring to discuss their child's progress. Conferences will be held in October and March. Progress reports will be sent home at the end of each trimester, showing growth in specific targeted interventions. Parents are encouraged to help their child work towards their goals through reading activities sent home weekly. In the spring, parents are asked to complete a survey about their satisfaction with the Title I program. The survey results allow us to reflect and improve our program so that we continue to meet the needs of our Blake students and families.

### **Summer Reading Challenge**

Students and their families are also invited and encouraged to participate in our Summer Reading Challenge. More information will be communicated in May. Students who participate/complete the Summer Reading Challenge will be rewarded for their efforts at the beginning of the next school year.
