### Leaders of the Month

Each month, we recognize students who demonstrate great character, being responsible in their decisions, being respectful in their words and actions, and being ready to learn each day. Students are recognized by their teachers and peers, and they each receive a special “buckeye” to honor their hard work and leadership. The buckeye is a symbol of leadership and a special tradition started at our school by our beloved model and inspiration of lifelong leadership, Mr. Ralph E. Waite.
