

Medina High School Families:

Our students recently had an exciting opportunity to explore the diverse range of electives available at Medina High School. This event allowed them to learn more about the various courses that cater to different interests, skills, and career aspirations. In addition to this exploration, students will also be meeting individually with their counselors to review their course selections and ensure they are on the right path as they prepare for the 2025-2026 school year.

As parents and guardians, this is a wonderful chance to engage in meaningful conversations with your student about their academic and personal interests. Take some time to discuss their passions, future goals, and how our elective offerings can support their aspirations. Encouraging your student to explore new subjects and challenge themselves with courses that align with their strengths can help them make informed decisions for a successful and fulfilling high school experience. Be sure to visit our [counseling website](#) for updates to the course registration guides.

Students have also been actively engaged in their classes, participating in activities that challenge them to think critically and collaborate effectively. Recently, I had the opportunity to observe students facilitating their own debate on various current events. Through this experience, they were encouraged to analyze multiple perspectives, conduct thorough research, and present well-supported arguments. It was inspiring to see them take ownership of their learning, demonstrating both critical thinking and effective communication skills. Our students have a bright future ahead of them!

MHS Writers Excel at Just Write Regional Competition

Recently, ten of Medina High School's students showcased their creative writing skills at the Just Write regional Competition at Cloverleaf High School, where they competed against some of the most skilled young writers in the state. The event, known for its rigorous and fast-paced writing challenges, attracted students from across the region, all eager to demonstrate their storytelling abilities under timed conditions. Participants are given prompts to produce original short stories in the time allotted, demonstrating creativity, coherence, and technical writing skills. Judges evaluate submissions based on originality, plot development, character depth, and overall storytelling quality. This year, Medina High School brought an outstanding team of writers who performed exceptionally well, with seven of the ten students participating moving on to the state competition. Alexa Prifti won the Division II Poetry Contest, showcasing her exceptional talent and creativity. Lucy Yao placed

10th in Division II, while Elizabeth Klinge closely followed, securing 11th place in the same division. Caitlyn Finn demonstrated her writing skills in Division I by finishing 10th place. These young authors demonstrated remarkable imagination and the ability to construct engaging narratives under pressure. Beyond the competition, Just Write provides students with invaluable experience that enhances their writing abilities, critical thinking skills, and confidence in storytelling.

Advanced Placement Exam Registration

AP Exams will take place May 5th -16th, 2025
All exams will be at MHS

Taking the Advanced Placement exams is an important part of all AP courses. Medina High School requires that all students take AP exams for the AP classes that they have taken. Scoring well on an AP exam can often earn students college credit for their high school class, saving a significant amount toward tuition.

An exam has been ordered for every student and the cost for the exam was added to his or her school fees in September. Seniors must pay their fees prior to graduation or they will not be permitted to walk. If a student does not take the AP exam then the AP weight will be removed from their transcript and they will still be charged for the exam.

This year each AP exam will cost \$99.00. Medina High School desires that every student be able to take their AP exams. Students requiring financial assistance should contact Mrs. Heather King, kingh@medinabees.org or Mr. McDermitt at mcdermis@medinabees.org, at Medina High School to learn more.

Being ready for school includes preparing for the day by choosing proper attire that reflects a consideration of hygiene, safety and environment. The following statements are provided as guidelines to promote understanding of a few areas of concern:

1. Students must wear lanyards around their neck and IDs must be attached to lanyards at all times during the school day. Exceptions occur in the classroom based on teacher discretion of student activity.
2. Any apparel showing suggestive or profane pictures or wording; showing alcohol, tobacco, or drug-related sayings or pictures; promoting or depicting sex, violence, or self-destructive behavior; or any item that defames the nation, state, community, or an individual will not be permitted.

8. Sunglasses are not to be worn in the building.
9. Teacher discretion is used within the classroom as it pertains to hats and hoods.
10. Any new "fads" in clothing, costumes or anything not specifically covered in the above guidelines which are considered inappropriate dress shall be dealt with at the discretion of an administrator or designee.
11. No undergarments will be showing (male or female) whether standing or sitting.
12. Any other clothing or accessory deemed inappropriate by administration can be a dress code violation.

If there are any questions as to the appropriateness of any type of clothing, the school should be contacted in advance. In the event inappropriate clothing is worn or displayed, it is the responsibility of the student to make arrangements to immediately remedy the situation. Students will be retained in the office until appropriate clothing is obtained or clothing may be provided by the school. Any student violating this policy will be subject to disciplinary action.

Lanyards

Lanyards with Student IDs or temporary IDs must be worn by students all day and every day. Students who accumulate five or more violations of not wearing lanyards/student ID's are subject to after school detention.

Mrs. Diane Boccio - Last Names L-Z

Direct Line - 330-636-3206

Reporting Student Absences

- If a student will be missing school, a parent needs to call the Attendance line. The parent will need to spell the student's last name, give his/her school ID#, and the reason that he/she is absent.
- If a parent does not call, the student will be marked "unexcused absent" and an automated call will be generated by 10:30 a.m. each morning.
- If a student is late because of an orthodontist, doctor, dentist, court appointment, etc., the absence will be excused if the student brings in a school excuse from the doctor, dentist, etc. to the Attendance Office.

If a Student Becomes Ill in School

Students should report to the clinic with a pass from his/her teacher. If the student walks or drives home, the nurse will call a parent/guardian to obtain permission for that student to leave the school. If the student is being picked up, the driver can pick up that student at the front entrance A-7 doors-in the vestibule by the main office. The nurse or school staff may escort the student out if necessary.

As has always been our policy STUDENTS SHOULD NOT BE USING THEIR CELL PHONES TO CALL PARENTS DIRECTLY TO GO HOME ILL - We will enforce that any student leaving the school ILL MUST be excused through the clinic.

Tardiness to School

Oversleeping, car trouble, power failures, traffic problems, frozen car locks are all unexcused tardies. A note or call from a parent to the Attendance Office regarding the reason is always appreciated and will be noted for your student's records. A Principal or his/her designee shall make the final determination between excused or unexcused tardy if necessary. As the student accumulates tardies to school, the following consequences may result:

4 tardies ~ One (1) ASD, 8 tardies ~ (2) ASDs, 12 tardies ~ 2 hour Saturday school and notification
16 tardies ~ 4 hour Saturday school and notification

Leaving Early

Parents/guardians are to send in a note requesting their student leave early for the purpose of not attending an end of the day study hall. The note must be dated and the time that the student is to leave school. These notes should be brought to the attendance office by the student in the morning. Phoning in a request daily for a student to leave early is highly discouraged. Absences to avoid being in last period study hall are unexcused.

Planned Absences

The student needs to tell his/her teachers about the absence and make arrangements to make up the work. The parent needs to call the attendance line in advance and give the dates and reason the student will be missing school, such as vacation, surgery, etc.

Appointments

Phoning in a request for a student to leave early is discouraged, although sometimes unavoidable. Writing notes in the morning is preferred. Parents need to realize that it may take time to find the student, especially if the student is in a gym class or at lunch. Dismissal slip will then be delivered to the student. The parent does not come in to sign out the student. The student will then meet the parent outside of the building at the designated time.

Vacations

Ohio law does not specifically allow vacation travel to be considered an excused absence from school. In situations that are essentially unavoidable, schools are permitted to grant excused absences in order to travel. Medina City Schools allows up to 5 excused vacation days per year. A Request for Vacation Travel is required to be filled out and turned into the Attendance Office well in advance of the intended absence. The form can be found under Forms on the MCS website, on the MHS website, on Blackboard under the Forms tab in the MHS Student Organization and this link. [Request for Vacation Travel Form](#)

IMPORTANT NOTICE: If a student will miss more than approximately 65 hours (10 days) due to a vacation, parents/guardians are required to un-enroll their student from the Medina City Schools and re-enroll them upon return from vacation. This is done by contacting the Office of Registration at 330-636-3100. Questions concerning this procedure may be directed to Dr. Kristine Quallich, Asst. Superintendent, at 330-636-3092.

Moved or Planning a Move?

If you currently reside in the Medina City School District and have recently moved, or plan to move to a new address within the District, you will need to provide proof of residency to the Medina City School District Registration Office. One of the following documents will be accepted as proof of residency: current utility bill, mortgage contract, purchase contract, lease agreement, insurance statement on the dwelling, or a letter from your builder indicating a possession date within 90 days of enrollment in the district. Please check it regularly and please call the high school main office with any questions. MHS will do our best to keep seniors and senior parents/guardians informed and we appreciate your understanding and patience.

After Prom

Each year, a talented group of parent volunteers supports Medina High School students and the community by hosting a drug and alcohol-free After Prom event. With help from generous community businesses and parents, these volunteers are able to present a night that is second-to-none in safety, fun, and entertainment. During the event, students enjoy food and refreshments from local restaurants, as well as many games and activities. The grand finale of the night features a gift basket drawing of more than 100 baskets! Prom /After Prom is May 17, 2025. Scheduled meeting dates are January 8, February 5, March 5, April 2, and May 7. Meetings are at 7:00 pm, in the MHS Senior Commons. All are welcome.
